## Aumark

FOTON

Mobimotors

### Vehicle Model

BJ1128

### Engine

|                     |   |
|---------------------|---|
| Model               | Cummins ISF3.8s 3168                                  |
| Displacement (L)    | 3,76  |
| Type                | 4 cylinder, Common Rail Turbocharged with Intercooler |
| Max power (Hp/rpm)  | 170 HP  |
| Max torque (NM/rpm) | 550 NM  |

### Gearbox

|              |                    |
|--------------|--------------------|
| Model        | ZF6S558            |
| Type         | Cabel Shift Manual |
| No. of Gears | 6F 1R              |

### Complete vehicle dimension parameters

|                            |                |
|----------------------------|----------------|
| Wheelbase (mm)             | 4700           |
| Cab width (mm)             | 2060           |
| Overall Dimensions (L×W×H) | 8220×2310×2470 |

### Brake

|                 |  |
|-----------------|--|
| System          | Full Air Dual Circuit, with air dryer and auto brake lining adjustment |
| ABS             | Standard   |
| Type            | Front - Disc<br>Rear - Drum  |
| Auxiliary brake | Exhaust Brake  |

### Tire

|          |                        |
|----------|------------------------|
| Model    | 9R22.5-14 Ply Tubeless |
| Quantity | 6+1                    |

### Suspension

|                                     |   |
|-------------------------------------|---|
| Front suspension/leaf spring number | Multi Leaf spring - 9 Numbers               |
| Rear suspension/leaf spring number  | Multi Leaf spring with Helper - 8+6 Numbers |

### Axle

|                          |       |
|--------------------------|-------|
| Front Axle Capacity (Kg) | 3600  |
| Rear Axle Capacity (Kg)  | 8000  |
| Rear Axle Ratio          | 5,286 |

### Weight

|          |       |
|----------|-------|
| GVW (Kg) | 12140 |
|----------|-------|

### Axle

|                  |          |
|------------------|----------|
| Type             | Day Cab  |
| Air conditioning | Standard |

### Fuel tank

|                       |              |
|-----------------------|--------------|
| Capacity and material | 200L plastic |
|-----------------------|--------------|

### Battery

|                 |     |
|-----------------|-----|
| Battery voltage | 24V |
|-----------------|-----|

### Features

- 1.Cruise Control for Better Driver Comfort;
- 2.Manual control & Windows/Door;
- 3.MP3+Bluetooth.
